Emirates. The Airline of the Future (Second Edition)

USD 35.00

Two decades ago, intent on further propelling the economic and social evolution that was transforming his country, Sheikh Mohammed bin Rashid Al Maktoum started an airline. It was an era when airline start-ups were rare, and successes still rarer. Yet he [\[Product Details...\]](#)

Flight into the Future

USD 35.00

In 1937 the inauguration of an Imperial Airways C-Class flying boat service brought Dubai into the aviation era. From the foundations of 1937 to the modernity of 2007, the 70th anniversary of civil aviation in Dubai is a milestone captured in a book for t [\[Product Details...\]](#)

Fly Buy Dubai

USD 35.00

Fly Buy Dubai (The Remarkable 25 Year Journey of Dubai Duty Free. 25 Years 1983-2008.) In 1945 Rineanna Airport, some 135 miles from Dublin, later known as Shannon International, began receiving scheduled aircraft from TWA and PanAm. The number of interna [\[Product Details...\]](#)

Monara Rising

USD 35.00

Monara Rising, the history of civil aviation in Sri Lanka, published to coincide with the 25th anniversary of SriLankan, is the first book tracing the history of aviation in Sri Lanka. Utilising archival materials and anecdotal evidence from those who hav [\[Product Details...\]](#)
